Myaccount sign-ups on the increase!

A successful first month for myaccount

Hundreds of Moray residents signed up to our online customer account portal, **myaccount**, in its first month and enjoyed the benefits of its flexibility and convenience.

We're continuing to add more online services to **myaccount**, as part of the Moray Connected project, allowing you to take complete control of your requests and services. [Find out more about myaccount.](http://www.moray.gov.uk/myaccount)

Let us know what you think of our online services and how we can improve our website. Tell us what we can provide online which could make your life easier and help interact with us - this could be as a business owner, householder, parent/guardian or other.

Visit www.moray.gov.uk/connected to find out the latest Moray Connected project developments and what's coming soon.

Famous for its colony of dolphins, fabulous beaches and more malt whisky distilleries than any where else in Scotland, Moray is a thriving area and a great place to live. Nestling between Aberdeenshire and the Highlands, Moray stretches from Tomintoul in the south to the shores of the Moray Firth, from Keith in the east to Brodie Castle in the west.
