A96 dualling options

For anyone interested in the route options for A96 dualling, you can download a large file map from the 'related material' section below this message. This is a government project, so if you have any comment or questions, please direct them to the consultants acting on behalf of the Scottish Government. Their website is [here](#) , where you can find lots more information about the consultation process and timescales involved.

Famous for its colony of dolphins, fabulous beaches and more malt whisky distilleries than any where else in Scotland, Moray is a thriving area and a great place to live. Nestling between Aberdeenshire and the Highlands, Moray stretches from Tomintoul in the south to the shores of the Moray Firth, from Keith in the east to Brodie Castle in the west.
