## Delfur Bridge closure

Moray Council has confirmed the emergency closure of the U14E Ordiequish Road at Delfur Bridge near the junction of B9103 Boat O'Brig until Sunday 15 September.

Due to the further undermining of the Delfur Bridge foundations the decision to close the road, as warned on Friday 9 August, has been taken now that the original emergency closure work has been completed.

The diversion for this closure is via: U14E >> B9103 BOAT O'BRIG-MULBEN ROAD >> B9015 ROTHES - MOSSTODLOCH ROAD >> A96 MOSSTODLOCH - FOCHABERS SECTION >> U14E.

A map of the area showing the closure is attached in the documents below - please share this notice with anyone you know who lives in the area.

---

Famous for its colony of dolphins, fabulous beaches and more malt whisky distilleries than any where else in Scotland, Moray is a thriving area and a great place to live. Nestling between Aberdeenshire and the Highlands, Moray stretches from Tomintoul in the south to the shores of the Moray Firth, from Keith in the east to Brodie Castle in the west.
